

LOCKHEED MARTIN

Roya Mohadjer
Senior Technology Strategist
Lockheed Martin

Roya Mohadjer is a Senior Technology Strategist at Lockheed Martin with leadership responsibility for the STEM/STEAM strategy of Information Systems & Global Solutions. Her primary focus includes partnering with academia, industry, and government in the Washington Metropolitan Area to develop and execute solutions that address the Nation's STEM/STEAM challenge.

Previously, Roya held positions as a Financial and Business Operations Manager for Business Development, Capture Manager, and Customer Relationship Manager. Roya also graduated from Lockheed Martin's Leadership Development Program, having had experience across the Space Systems and Information Technology industries.

Roya has a Bachelor of Science in Finance and Operations Management and a Master of Business Administration from the Robert H. Smith School of Business at the University of Maryland. Roya is multi-lingual with proficiency in English, Spanish, French, and Farsi.
